

Frisco Animal Control **Hosts Coyote Question and Answer Session**

With Guest Speaker: Bonnie Bradshaw
Texas Master Naturalist,
Professional Wildlife Control Operator and President of 911 Wildlife.

Find out why coyotes are thriving in urban areas.

Find out why experts consider trapping ineffective. Learn about methods and tips you can use to help reduce coyote sightings including:

- **Restricting concentrated food supplies**
- **Preventing access to den sites**
- **Using aversion techniques**

Date & time:

Monday, November 17th, 2014
7:00 p.m.

Location:

Christie Elementary School
10300 Huntington Road,
